Hello! My name is Jane.

Last year I was in England, but at the moment I am living in France because my father is working in a bank in Paris and my mother is teaching English in at school.

My family and I are living in a very big house. It is near the centre of the town. I have got a lot of new friends. They are French, so I am learning this language.

I have got two brothers: Louis is very little because he is only three years old. James is seven years old and he goes to school and he is studying French, too.

Today it's Saturday. My mother is in the kitchen and she is cooking dinner. She is making a cake because today it's my birthday. We are very happy.
